BE FREE

enjoy life, feel good

At Be Free, food is more than fuel — it's a way to connect, celebrate, and care for our bodies and the planet. Just like in our café, our catering service is rooted in good local produce and seasonal goodness. Every dish is designed to uplift, energise and nourish, crafted with ingredients sourced from local farmers, small-scale producers, and even grown on-site at Perth City Farm.

Whether you are planning a work event, a birthday celebration, or a special gathering, our catering brings the same care and creativity you'll find in our kitchen. From vibrant grazing tables and wholesome buffet spreads to tailored breakfast platters and all-day corporate menus, everything we serve is guided by our commitment to quality, sustainability and flavour.

Family-run and heart-led, Be Free exists to help people get the most out of life — one meal at a time. Let us take care of your next event with food that's fresh, thoughtful, and full of life.
